When ordered as this master pack, a 10% price discount is realized

Disposable Bucket Liner for Smoking Receptacles

Special laminated aluminum/poly liner makes cigarette butt disposal cleaner and easier than ever! Once the burn resistant liner is full, simply use included twist-tie to close and discard. No need to “shake out” nasty butts and ash. Fits any bucket 11-3/4” wide x 10” high maximum size.

If a sand ballast is used for extra weight, do not fill Bucket Liner with sand. Place sand under Liner or under bucket where applicable.

When used with
Justrite's Elite™ or
Original styled
Smokers Cease-Fire®
smoking receptacles,
the system is FM
approved.

Available as
Electronic Flyer Only!
