

Conveyor

Fully integrated systems & projects

HYTROL: Power & gravity conveyors; horizontal belt, roller; sortation systems; portable and gravity conveyors

BEST DIVERSIFIED: Flexible conveyors—gravity and power

OMNI: Conveyors for transporting loaded pallets, drums, tires,

INTERRROLL: Power and gravity conveyor components, drive rollers & pulleys, carton and pallet flow

Also: **Nestaflex, Roach,** and others for specialized applications

Automated Systems

Advanced consulting, controls, integration

DIAMOND-PHOENIX: Carousels - horizontal, vertical, VLM, software systems

INSIGHT AUTOMATION: Controls, automated systems

CISCO-EAGLE CONTROLS TECHNOLOGY: Control systems, consulting, design, fabrication, and integration

ARC: Specialty equipment, robotics

SAGE AUTOMATION: Gantry robots, articulated arm robots, custom engineered equipment

WireCrafters

Storage racks & shelves

Storage systems and equipment

STEEL KING: Pallet racks—selective, flow storage, boltless, bolted, structural, drive-in, drive-through, pushback, double deep, freezer applications. Stacking racks and containers. Cantilever racking

MECALUX/INTERLAKE: Structural and roll form pallet rack systems

NASHVILLE WIRE: Wire rack decking, wire containers

PENCO: Steel & rivet shelving; shop equipment; lockers; mezzanines

WESTERN PACIFIC: Rivet and steel shelves; multi-level shelf mezzanines

EQUIPTO: Storage solutions, mobile aisle shelving, industrial shelves

ROTABIN: rotary bin shelving

EAGLE: Wire shelving & wire storage equipment

JARKE: Cantilever, bar, and stacking racks; drum and barrel storage racks

UNEX: Carton flow racks, work cells

LISTA: Modular cabinets, workstations, storage systems, carts

Also: **Lyon, Rousseau, Speedrack, West Point,** and others

Lifts & Balancers

Increase productivity and reduce injuries

PFLOW: Vertical reciprocating conveyors (vertical lifts)

ADVANCE: Industrial & scissor lifts, filters, dock lifts, positioners, custom lifts

BISHAMON: Scissor lifts, rotators, filters, pallet positioners

ZIMMERMAN (IR): Air balancers, rail systems, jib cranes, hoists

Also: **SOUTHWORTH, LIFT-RITE, PRESTO, ECOA, GORBEL,** many others.

Plant Structure

Segment and secure your facility

WILDECK: Mezzanines, Railing

FCP, INC: Mezzanines & other industrial structures

WIRECRAFTERS: Wire partitions & security cages; rack guards, lockers, wire fencing & machine guard

FOLDING GUARD: Wire partitions, panels, cages, lockers

ILLINOIS ENGINEERED: Folding security gates; portable, stationary

SENTRY: Column, rack protectors

PORTA-FAB, PORTA-KING: In-plant offices, modular buildings, booths

Lockers

For schools, industrial, institutional

PENCO, HALLOWELL: Hallway, all-welded, athletic lockers

FOLDING GUARD: Wire storage lockers, security lockers

Casters/Carts

Thousands of casters in stock

RWM: Industrial, commercial, institutional casters

Also: **CASTER CONCEPTS, ALBION, HAMILTON, DURABLE, TRIOPINES, COLSON, JARVIS, WAGNER, FAULTLESS**

JAMCO: Carts, trucks

FAIRBANKS: Handtrucks, carts

ROL-LIFT: Pallet jacks

Work Stations

Workstations & workbenches

PENCO: Shop desks & work benches—modular, open steel

DEHNCO: Packing, receiving, over-conveyor, manifest, and other modular workbenches

PRO-LINE: Ergonomic workbenches, workstations, specialized workstations

LISTA: Technical & modular workbenches

STRONG HOLD: Heavy duty workbenches, cabinets, storage

Dock Equipment

Make your dock area safer, more productive...

BLUFF: Dockboards & dockplates, yard ramps

DURABLE: Dock bumpers, chocks

IDEAL SHIELD: Bollard covers, dock door guard posts, guard railing

Containers

From bulk containers to parts bins...

QUANTUM: Poly & plastic bins, totes, hoppers & containers; tubs; ESD

AKRO-MILS: Poly & plastic containers

GALBREATH: Self dumping hoppers

AWP, NASHVILLE: Wire bins

STACKBIN: Metal stacking bins

BUCKHORN: Various containers

LEWIS BINS: Containers, totes, bins

Safety/Ergonomic

Material handling safety equipment

JUSTRITE: Safety cabinets, cans

SINCO: Rack/conveyor safety nets

WEARWELL: Antifatigue and nonslip safety mats (*Also Apache, Durable*)

MACRO-AIR: High volume low speed large scale fan systems

ALECO, GOFF's: Vinyl strip doors, curtains, work areas

SENTRY PRODUCTS: Rack and column guarding systems

This is a partial listing. For extensive detail and a searchable product & services database, visit www.cisco-eagle.com

Air Balancers (balancers, rail systems, end effectors)

AGVS

Automated Storage and Retrieval (AS/RS) Systems

Ball Transfers

Bar Racks

Barriers (wire partitions/cages, guard rails, safety railing, machine rails, uprights)

Baskets & Bins, Wire

Benches, Work & Shop

Bins (plastic, metal, stacking, wire)

Booths (modular buildings)

Building, Pre-assembled

Bumper Post Sleeves

Cabinets (metal, shop& office, commercial, modular drawer, safety storage, flammable liquids, bulk storage)

Cantilever Racks

Carousel Systems (horizontal, vertical, lift modules, software)

Carton Flow (racks, tracks)

Carts & Trucks (steel, bulk, cloth-side, drum & barrel, platform, service, tilting, utility, wire frame - many options and varieties available)

Casters (general duty, industrial, Kingpin & kingpinless, medium, institutional, stem)

Column Protectors (for building columns & racks)

Computer Assisted Picking Systems

Consulting Services

Containers (steel, wire, poly/plastic, parts, from very small to bulk sizes)

Conveyors (Accumulation, Conveyor Systems, Flexible, Supports, Gravity Roller, Gravity Skatowheel, Horizontal Belt, Incline, Live Roller, Low Profile, Portable, Power, Roller Bed Horizontal,

Sortation, Vertical Reciprocating)

Dock Equipment (Boards/Plates, Bumpers, Lifts)

Dollies (wood, steel, drum, general warehouse use)

Door Guards, Overhead

Drum Equipment (spill control, collection centers, racks, dollies, trucks)

Enclosures, Wire

Fencing (woven wire)

Floor Mats

Flow Racks (plastic rails, skatewheel, span-track, carton, bulk, and others)

Folding Security Gates (single & double wide, portable, door, dock)

Gravity Rack

Guard Rails (single & double high, low profile, hand rails, mezzanine rails, forklift barriers)

In-Plant Offices

Jib Cranes/Arms

Ladders (rolling & step)

Lifts (dock, scissor, loaders, rotators, tilters, tables)

Lockers (school, institutional, industrial, wire and metal, tenant lockers, storage, metal, plastic, institutional)

Maintenance Services (scheduled and preventative maintenance plans for conveyors, lifts, docks, more)

Manipulator Arms

Mats & Matting

Mezzanines (structural, shelf-supported, rack-supported)

Mirrors, Dome/Convex

Modular Storage (cabinets, drawers, shelving retrofit)

Office, In-Plant

Palletizers

Pallets (poly/plastic, metal, aluminum, spill control)

Pallet Jacks

Pallet Rack (selective, pushback, drive-in, drive-through, structural, boldless, seismic)

Partitions, Wire

Pick Light Systems

Rack (bar, bin racks, bulk, drive-in, drum handling, empty pallet storage, pallet, stacking frames, pushback, roll-out)

Safety Cabinets

Safety Mirrors

Safety Netting (for pallet rack and conveyors)

Security Cages

Self-Dumping Hoppers

Service Agreements

Shelving (modular, bin, records storage, rivet, rotating, steel, wire)

Software (carousel/inventory control, WMS, controls)

Sortation Systems

Stackers (manual, electric, hydraulic)

Seating (ergonomic, shop, locker room)

Storage Walls

Strip Doors

Tote Boxes (*See Containers*)

Trucks (*See Carts or Hand Trucks*)

Vertical Reciprocating Conveyors

Vinyl Strip Doors

Wheel Chocks

Wheels

Wire Bins (*also see Containers*)

Wire Partitions

Wire Rack Decking

WMS Software Systems

Work Benches/Work Stations (integrated packing, manifest/receiving, modular, shop, technical, metal)

Yard Ramps
