DRAWTITE™ Vinyl Roll-up Door **(Motorized and Chain Hoist)**

Product Advantages

- New Innovative Design Provides High Wind Load Ratings, preventing the wind from blowing door out of its track
- Motorized Up, DRAWTITE Down
- Live Edge Safety Feature (Motorized Only)
- Unique Cable Assembly Keeps Door in Tension
- 18oz. coated vinyl meets NFPA 701 and California Fire Marshal Standards for flame retardancy, while standing up to the harshest of weather.
- 40-mil. Double polished clear window meets California Fire Marshal Standards for Flame Retarancy.
- Resistant to all ultraviolet rays and is rot, tear and mildew resistant.
- Custom extruded track with reinforced section traps the rollers in the cavity to prevent rollers from being knocked out of alignment.
- Valance panel made from 18oz. coated vinyl helps keep debris out while protecting the roller tube assembly.
- EPDM baffle, under valance, prevents pests from entering over the roller tube assembly.
- Fiberglass pultrusion tubes (horizontal stiffeners) bend if loaded-won't break or kink.
- Side seals constructed out of EPDM, on the side rails prevent pest intrusion.

Options Available

- Seven colors to choose from: Gray, Black, Blue, Green, Red, Yellow and White.
- Motor Control Speeds: 6" per second (In Tube Motor) and 36" per second (External Mounted Motor).
- Various Control Options ~ Hardwired and RF available to meet your specific application.
- Ability to mount Outside Face Mount or Inside Projection Mount.

Product Benefits

- Significantly reduces heat loss while allowing light into work areas.
- Keeps out unwanted pests, birds and intruders.
- Controls airborne contaminants.
- Wireless control stations can control roll up door from multiple locations.
- Three year warranty – One year warranty on motor drive mechanism.
- Improves building appearance.
- Increases security-Deters trespassing, theft and vandalism.
