

Silent pallet truck also manages outdoor challenges...

The specially designed wheels of Panther Silent makes outdoor operations possible - without problems. Metallic chips, small stones and snow do not stick to the wheels, and the wheels are not blocked!

At the same time the special wheels ensure a noiseless transport. The truck is therefore tailor-made for every supermarket and every DIY store, wanting to ensure their customers a quiet and peaceful shopping atmosphere, whilst the employees transport different goods! The silent transport is also advantageous in buildings with both shops and living quarters.

The wheels are gentle to the fine floor and flag-stone layer, which is often used in customer areas. Panther Silent is therefore saving maintenance costs due to wear and damage to flooring, such as flagstones. Panther Silent is a very environment-friendly pallet truck with a long operating life!

Panther 
Silent

Technical Specifications

Pallet truck, ensuring a silent and smooth handling of many different pallets - also for outdoor transport!

Optimum maneuverability - inside and outside

- metallic chips, small stones, snow etc. do not stick to the wheels
- very short length behind the forks

- optimum space utilization in confined areas

Tested to below 60 dBA

- special soft rubber wheels (both steering and fork wheels)
- minimum friction of all movable parts
- close tolerances

Long operating life and low maintenance costs through

- strong construction
- tests with up to 46,000 lifts

Panther Silent in a supermarket, where comfort and well-being of the customer are vital.

Panther Silent also manages outdoor transport. Metallic chips, small stones and snow do not get stuck to the wheels.

The special rubber wheels are gentle to floor and flagstone layer.

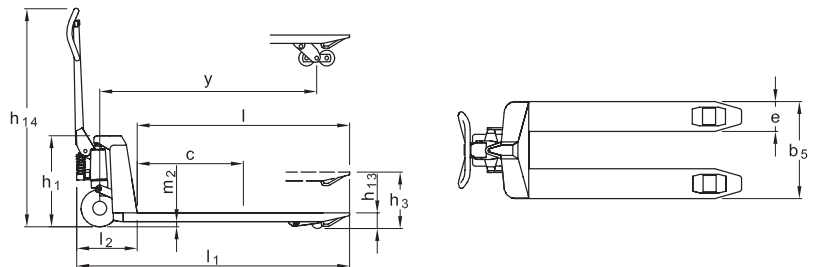

The hoop skates on the forks ensure an easy fork insertion and withdrawal in/out of pallets.

Name, logo or another text can be cut out in the A-frame or a special colour can be chosen.

Product (measured in inch)	PS2082	
Capacity in lbs.	4400	
Lifting height	h_3	$h_{13} + 4.75$
Fork length	l	23.5, 32, 36, 38, 42, 45, 48, 60, 71, 79, 94.5*
Overall height	h_1	$h_{13} + 16.25$
Fork span	b_5	20.5, 27
Length without forks	l_2	13.25
Overall length	l_1	$l + 13.25$
Fork width	e	6.25
Wheelbase	y	$l + 1$
Overall height	h_{14}	46
Lowered height - adjustable	h_{13}	3.25 to 3.5
Load centre	c	$l/2$
Ground clearance	m_2	$h_{13} - 1.75$
Turning angle of the wheels	220°	
Fork wheels - twin	Ø85 x 88	
Steering wheel	Ø200 x 50	
Weight	137 lbs. (20.5 x 45)	

* Reduced capacity 3300 lbs.

Ergonomic handle ensures the user a relaxed hold.

With twin fork wheels it is very easy to change direction.

Panther Silent has permanent quick lift.

We also offer tailor-made solutions.
