

Outdoor Safety Lockers – Optional Accessories **NEW**

Accessorize your locker with options that improve function and add convenience

Customize your locker to meet specific applications with a variety of optional features and accessories designed to meet code and increase safety.

- Add sturdy steel ramps to simplify loading or unloading heavy drums with a drum dolly.
- Add galvanized steel shelving for organized, easy access to smaller containers.
- Add heating and/or air conditioning where comfort, chemical stability or freeze protection is a concern.
- Choose from two varieties of fire protection – fuse linked extinguishers or an integral dry chemical system.

Use the descriptions below, combined with the charts on the next page, to determine the accessories available with each style of safety locker.
