

FOUR WAY

HAND PALLET TRUCK

DESIGNED FOR EFFICIENCY. MADE FOR WORKING.

The Low Profile Four Way (MW) and Ultra Low Profile Four Way (UW) helps you be more efficient. It easily moves 4-way entry pallets in all four directions, which maximizes your warehouse space and trailer load density.

FOUR WAY

HAND PALLET TRUCK

FEATURES

- » The low profile forks are perfect for moving pallets or skids with low clearance openings.
- » Comes with a durable and rugged leak-proof cast hydraulic pump.
- » The powder coated finish lets it withstand harsh environments.
- » Engineered for 4-way pallets.

The unit is equipped with rugged black nylon wheels and steel load rollers

Fingertip controls provide convenient access to lift, lower and keep the truck in neutral

Get more done with less. The simplified pumps has fewer parts

Durable powder coat paint finish
