The BMW Store
Cincinnati, OH
AMDP

The BMW Store utilizes rows of mid-width cabinets topped with a stainless steel countertop and backsplash. Overhead cabinets are wall-mounted above.

Computer monitors in doorless overhead cabinets are housed at intervals in the rows of OHCs. A second shelf allows for related storage.

esbmwstore3.jpg

Retractable hoses are held in overhead dispensers. Technicians pull down only the hose(s) they need, reducing clutter.
