**Downtown LA Audi/VW  
Los Angeles, CA  
AMDP**

jmlaaudi1.jpg

Technicians at Downtown LA Audi/VW's new service department each have their own lockable work area. Pairs of standard width cabinets are topped with a stainless steel worksurface. Pairs of overhead cabinets are frame-mounted above the cabinets. Retractable hoses are suspended from the ceiling.

jmlaaudi3.jpg

jmlaaudi2.jpg

Overhead cabinets with hinged doors allow for storage of bulk supplies above the worksurface.
