Rusty Wallace Inc, owned by famed NASCAR champion Rusty Wallace, races the #66 DuraFlame Dodge, driven by Billy Parker, in the Busch Series (see Lista logo). The team outfitted their shop with Lista cabinets and workbenches, forming a large workbay where two cars can be worked on at once.

Double hinged door cabinets with shelves and roll-out trays (in some cases) hold larger items.

For a "uniform" look in the shop, RWI ordered lockers made by Lista to hold technicians' clothes.
