The widest selection of standard colors in the industry!
 Whether you choose one color or a combination of colors for
 your Steel King product, these standard colors are applied
***at no extra charge!** Electrostatic application improves total
 coverage and uniform thickness. Nontoxic and lead free.
 Use different colors to color-code a plant, department,
 different carrying capacities, load locations and more.

*Minimum order size may apply.
 The colors shown above may
 vary slightly from the color of
 the finished product, due to the
 limitations of the printing
 process. When exact color and
 gloss is important, please
 request a free sample of the
 actual paint on a metal chip.
