

## Steel Shelf Assembly

### Part # -

SH0830 - Steel shelf 8"d x 30"w

SH1230 - Steel shelf 12"d x 30"w

SH1530 - Steel shelf 15"d x 30"w

Item	Components	Qty
A	Shelf pan	1
B	Mounting brackets	2

The BOSTONtec steel shelf can be mounted in the uprights in multiple positions (Fig-1):

- Flat or 15° tilted surface
- Extended from the uprights
- Reversed with lip in the front stops objects from sliding off, such as storage bins (Fig-2)

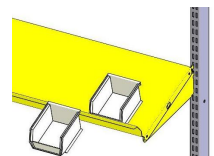

Fig - 2

- 1 Place shelf pan (A) on mounting brackets (B) (Fig-3) and ensure small positioning tab is inserted into slot of bracket (B) (Fig-4)
- 2 Select desired slots in uprights and insert brackets (B) of assembled shelf into uprights  
Flat mount - insert top two hooks (Fig-5)  
15° tilt mount - insert bottom two hooks (Fig-6)
- 3 Make sure tabs are secured down into slots of uprights
