

# PAINT FINISH

## INFOSHEET

### Standard Colors

Silver Gray (RAL 7001)

Anthracite Gray (RAL 7016)

Actual color may vary from this sample. Every printer and screen will change how the color appears. Please request a Free color sample.

Typically, carriage guardrails and enclosure columns are Anthracite Gray.

Enclosure panels and doors are gray.

### Industrial Paint/Finishes

CIP Gray (Standard for the enclosures) and Anthracite Gray (standard for all carriages); All CIP paints and coatings are manufactured by a recognized world leader in industrial paints and coatings. CIP care-fully prepares each component to provide a strong attractive finish and superior corrosion resistance.

Standard powder or equivalent top coat, which provides dura-bility while offering a clean and smooth appearance. It is de-signed for indoor environment applications only.
