MACX® Shipping and Storage Containers

The ultimate solution

Smoother, lighter, less maintenance and FDA approved

- Longer container life- less frequent repair and replacement
- Tough yet lightweight- move them by hand when empty
- Stackable- patented interlocking corners allow safe stacking up to 10 high
- Compact storage- nest three containers to save storage space and transport costs
- Completely sanitarycan be high-pressure washed and sterilized

- Vented side models- allow for even faster hydrocooling
- Custom colors available
- Versatile runner design- available with new short side or traditional long side replaceable runners
- **HDPE plastic-** UV-protected for outdoor use, fully recyclable
- Meets USDA/HACCP standards for food product handling
