MACX[®] Shipping and Storage Containers

The ultimate solution

For industrial material
handling applications

DECADE PRODUCTS[®]

Maximize your material handling efficiency with MACX[®] containers

Decade containers are built to meet the most rigorous demands:

- **Longer container life-** less frequent repair and replacement
- **Tough yet lightweight-** move them by hand when empty
- **Stackable-** patented interlocking corners allow safe stacking up to 10 high
- **Compact storage-** nest three containers to save storage space and transport costs
- **Versatile runner design-** available with new short side or traditional long side replaceable runners
- **Customizable-** add casters, drain plugs, drop doors, label holders, attachable lids, custom colors, and emboss your company name on the side
- **HDPE plastic-** UV-protected for outdoor use, fully recyclable

Specifications
