

Smart Gate

Revolutionary self-closing Smart Gate, available with kinetic safety add-ons and LED signs.

Kinetic Smart Gate & LED SIGN

Part # ERGO-KSG-COMBO-24-D

Includes :

- A** 1 Smart Gate
- B** 1 Post
- C** 1 24" Double Sided LED Sign

COST EFFECTIVE

WIRELESS

EXTENDED
SIGNAL RANGE

PLUG-N-PLAY

EXPANDABLE

Save Thousands of \$ - By eliminating costly power drops and improving safety.

Wireless Transmission – Our proprietary wireless hinge with kinetic switch (Patent Pending) transmits a micro-burst energy packet which activates the LED safety warning sign.

Extended Range – Wireless RF signal transmits up to 1000 feet for deployment flexibility.

Plug & Play – Smart Gate and sign are paired at the factory for installation ease.

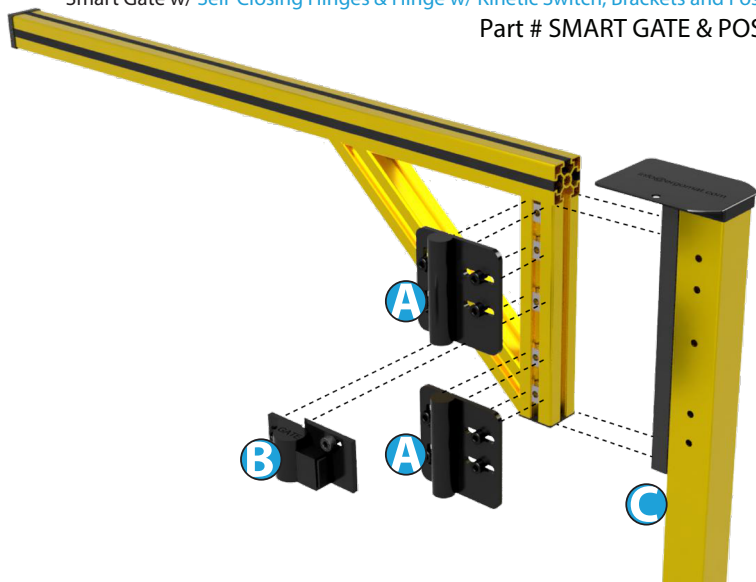

Expandable – Additional gates, kinetic components and other interactive sensing devices can be packaged to address any conventional or unique in-plant safety concerns.

Smart Gate & Add-Ons

Revolutionary self-closing Smart Gate,
available with kinetic safety add-ons
and LED signs.

All systems are customizable. Contact us to discuss your
project!

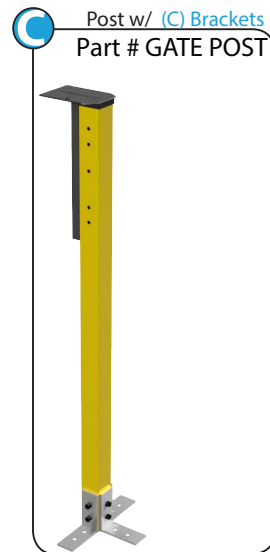

Smart Gate w/ Self-Closing Hinges & Hinge w/ Kinetic Switch, Brackets and Post
Part # SMART GATE & POST

Gate w/ (A) Self-Closing Hinges
Part # GATEARM SELF CLOSING

Post w/ (C) Brackets
Part # GATE POST

Smart Gate w/ (B) Hinge w/ Kinetic Switch
Part # GATE ARM KINETIC

12" LED Sign w/ Power Supply & Wireless Receiver
Single Sided Sign

Part # ERGO-IWKR-12-S

Double Sided Sign

Part # ERGO-IWKR-12-D

24" LED Sign w/ Power Supply & Wireless Receiver
Single Sided Sign

Part # ERGO-IWKR-24-S

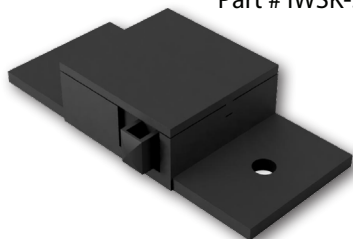

Double Sided Sign

Part # ERGO-IWKR-24-D

Kinetic Switch Options for LED Signs

Kinetic Door Switch
Part # IWSK-SWITCH

2 Self Closing Hinges and 1 Hinge w/ Kinetic Switch
Part # KINETIC HINGE KIT

Kinetic Push Button
Part # IWSK-PB
