

Stor-More® Loss Prevention Security Cabinet

Secure small- to medium-sized high-value products on the sales floor, back room, receiving area, or warehouse.

Advantages

All-Steel Construction: Made from sturdy, 8-gauge galvanized welded-wire mesh panels on a 2" x 2" frame made of 14-gauge galvanized steel. Hinged doors include a built-in cylinder lock.

Secure, But Open: Open-mesh design allows for a quick visual inspection of valuable items.

Easy Assembly: Components are pre-punched for easy assembly.

Options: Optional shelf available in 4-gauge galvanized welded wire or 20-gauge galvanized steel panel. Powder-coating finish available in multiple colors.

Standard Sizes: Cabinets come in widths of 48" (single door) or 96" (double door) and a variety of depths and heights. The 96" model will fit in a standard 96"-wide pallet rack.
