*Reproduction of web colors are not always "what you see is what you get" because colors on your monitor and the color produced physically can, and most likley will, vary. This is because different devices have different color "languages" and will out put color differently. To get a better result it is important to choose your colors UNDERLINED CAREFULLY. We cannot be held responisble for colors that are off a few shades due to the vast complexities of media diferences. Choose a Pantone or Sherwin Williams colors to get the best result, or contact us and we'll be happy to send you a sample.
