

ECO LED FORKLIFT HEADLIGHT

ECO LED FORKLIFT HEADLIGHT

2 YEAR
WARRANTY

The ECO LED Headlight is economically priced to replace all the incandescent forklift headlights in your lift truck fleet. It offers a long life of 50,000 hours which means you will never have to replace bulbs again. 500 lumens of light will give off a luminous, clear light without blinding pedestrians working alongside the forklift.

The ECO LED Headlight is great for all applications and lift truck models.

Comes with a 2-year replacement warranty.
