

U-BOAT

COMMERCIAL USE

Deck Features

- Torsion box deck construction resists bending and twisting
- Bottom cross brace rests on deck to provide load containment
- Turns 360 degrees to maneuver around tight spaces
- Made of aluminum so it never rusts
- Has non-marking casters to protect floor surfaces
- Rolls smoothly over bumps, cracks and thresholds
- Stock and deliver more product in less time – holds four times more than a traditional two wheel cart
- Stow in van – no waiting for in-store equipment

BDLA112	60.5

Handle Benefits

- Modular construction offers service parts vs. total handle replacement
- Hardware secured with automotive grade thread locking bolts for superior performance
- Ergonomic oval handle shaped for comfort
- Industrial grade engineered for controlled handling
- Grooved surface for positive grip
