COMPUTER STATION

Rousseau offers you a range of products and accessories to complete and complement your computer station. Computers are an integral part of all services, they require constant changes and updating, and this can change from one workspace to another.

In addition to the computer cabinet, Rousseau offers supports for monitors and keyboards. These are available in a wall-mounted version and for use with the multi-purpose frame, as well as the wall-mounted smart computer cabinet. All of these products will be very useful for your workspace.

No matter what your need is, Rousseau can supply a solution that is tailored to your situation. In addition, with Rousseau products, you will see the difference in the quality and the attention to detail.

One Stop Solution

With our vast range of products and accessories, you can create a customized computer station that is tailored to your needs. Whether you need your computer station equipped with a worksurface, extra storage, or even a basic inquiry station, we have the solution you need!

Our products are designed for industrial use (production floor, packing, maintenance and repair, machine shop, etc.), but with their attractive design, they can also be used in office environments (laboratories, electronic and computer environments, etc.).

Computer Cabinet

The Rousseau computer cabinet ensures a protection of the computer. The fan with filter will promote proper air circulation.

The 21 3/4" x 19" glass panel is demagnetized to avoid image distortion.

Includes a power outlet strip.

The palm rest on the keyboard drawer provides good wrist support when consulting computerized data.

The fan equipped with a filtration screen creates a positive pressure inside the cabinet.

A back panel provides easy access to computer components.

## Smart Computer Cabinet

Our smart computer cabinet offers an alternative to conventional computer cabinets. You have the choice of a cabinet with or without doors, and with or without a keyboard tray.

The fan equipped with a filtration screen creates positive pressure inside the cabinet.

With the monitor holder, you can store a computer and LCD screen in the same space.

18"

The 18 7/8" x 14 1/8" glass surface is demagnetized to avoid image distortion and also protects the screen.

Includes a power outlet strip.

The keyboard tray can be tucked under the cabinet when not in use. It is also adjustable in height to suit different users.
