### WHY CHOOSE PACK MULE?

PACK MULE's NXG Cart Tuggers are powerful performers designed for just-in-time towing applications, offer the longest runtime, best standard features and are virtually maintenance free. Backed by the longest and most comprehensive warranty in the industry, PACK MULE's high reliability and low cost of ownership make it the best value on the market today. Skeptical? Ask us to prove it!

We've been helping manufacturers and distributors move materials horizontally for more than 60 years, and we've learned what customers need to get the job done. That's the reason we build PACK MULE to a higher standard—and that's why we encourage you to test them in your facility, doing your work.
